SECRET

IDEA 0785
Copy _3_ of _3_

7 AUG 1962

MEMORANDUM FOR: Chief, Intelligence Staff, OSA

SUBJECT : U.S. Navy Cover on Cuba Missions

1. Please ascertain what actions U.S. Navy, specif-
ically Guantanamo Bay and Key West, take when they are no-
tified of impending IDEALIST Cuba missions. This data will
be passed to Edwards to brief mission pilots on details
which may be essential.

2. Some questions of obvious interest are:

a. Does U.S. Navy go on strip alert for IDEALIST
Cuba missions?

b. What are pilots' (USN) instructions?

c. What are pilots' prerogatives?

d. What action does USN take if a U-2 lands at
either base?

3. This data is also needed for publication in Directive

7 AUG 1962

MEMORANDUM FOR: Chief, Communications Staff, OSA
                Chief, Administrative Division, OSA
                Chief, Security Branch, OSA

SUBJECT   : Communications Channels

1. From time to time it will be necessary to notify major military
area commanders around the world of impending IDEALIST operations. This
must be done on the most secure channels and preferably over [   ]
[   ].

25X1

2. At this time the following commanders can be notified as
indicated.

25X1A

    a. CINCLANT via
    b. CINCPAC via
    c. CINCEUR via
USAFE.

3. No established communications link is known at present for the
following area commanders.

    a. CINCAL (Alaska)
    b. CINCARIB (Central and South America)   25X1A
    c. CINCMEIM (Middle East)

4. Please advise this office what secure channels exist or may be
established to communicate with the three addressees in paragraph 3. above.
Also please confirm or correct the availability of the [   ] link
through [   ] to CINCEUR.   25X1A
